Connect & Collaborate

- ✦ We can come to your command or warfare center to learn your team's success or challenges and how to connect your organization into the NavalX network.
- ✦ Quickly match solutions to problems.
- ✦ Bridge across network of Naval Warfare Centers. Provide a national network of Tech Bridge collaboration spaces.
- ✦ "Quick Chat with Mohawk Matt" - Join our teammate Matt Denny as he sits down with experts and folks across the Department of the Navy. Meet people via our videos or ask "Mohawk Matt" to visit your work place to share your story with the workforce.

Physical Locations Nationwide

- ✦ Host off-sites, agility training, prize-challenges, and more at our low-barrier site, close to metro and free parking facility.

Agility Skills & Facilitation

- ✦ We have trained facilitators in Agile Scrum, Human Centered Design, Lean Startup, Team Building, Guided Discussions and more.

Playbooks

- ✦ Use one of our playbooks to help your team hack a tough problem.
- ✦ Help us build a playbook the workforce can use.

Recognition

- ✦ The Agility & Accountability Awards Program (A3P) identifies and acknowledges agile and innovative Naval leaders, units, and activities.
